Dear Applicant,

Shalom, and thank you for your interest in Camp Wise! Our staff is comprised of over 100 dedicated men and women, working together to create a vibrant and comfortable Jewish community where children come to have a safe and meaningful summer experience. Working at summer camp is demanding, with long hours, little privacy, and high intensity. But the rewards are great – the joy of helping children, the beauty of living in nature, and the excitement and fun of working as part of a team. Working at Camp Wise is a unique experience that will stay with you for the rest of your life.

Camp is not only beneficial for the campers, but is also a great personal and professional growth experience for staff. Too often a summer camp job is seen as a “summer off” – less valuable than “real work” or internship experience. Should you come and join us at Camp Wise as a staff member, you will gain invaluable skills as a leader, teacher, programmer, counselor and team player. You will not only be better prepared for any future career – you will be better prepared for life.

Camp Wise offers a competitive pay scale. Previous camp experience, school level and other qualifications and certifications are criteria used for determining staff salaries. Entering 12th graders may apply for Junior Counselor positions, but spaces are very limited and preference will be given to those who have successfully completed our Staff-in-Training (SIT) program the previous summer. Entering 12th graders may also choose to apply for our SIT program.

Please follow these instructions when applying to be a staff member:

1. Fill out this written application and return it to our office as soon as possible.
2. Distribute the enclosed reference letters to your three references, and ensure that your references send the forms back directly to our offices. We do not consider your application to be complete without the reference letters. SITs applying for staff positions are not required to submit reference letters.
3. Approximately one week after your *complete* application has been submitted, call our camp office at (216) 593-6250 to schedule an interview.

We hope you will consider spending a summer with us at camp!
