

PARENT VOLUNTEER FORM

There are wonderful ways for our camp parents to help us make our summer successful. Please return this form if you would like to volunteer in one of the ways listed below. Thanks!

Host Family for International Staff

We have some fantastic staff who join us from abroad and add to your child's camp experience. This summer we will have specialists joining us from countries including Israel, Australia and England! While they are here, they are interested in seeing the Cleveland area, but more importantly, they want to get to know "real" American families. Most of them have their days off from Friday evening through Saturday evening.

_____ **YES!** I would be happy to host one or more international staff members on a day off. I look forward to getting a call from the camp office at the beginning of the summer to set this up.

This would work best for my family:

_____ Friday night to Saturday evening (check the Fridays that you know will work well)

_____ June 24

_____ July 1

_____ July 8

_____ July 22

_____ July 29

_____ Sunday through Thursday evenings

Volunteer Camp Doctors

Our camp infirmary is staffed 24 hours-a-day with registered nurses. Volunteer doctors are always either on-site or on call. While we are within a few minutes of a variety of health care providers and hospitals, we are always looking for doctors who want to be available for us on call for one week.

_____ **YES!** I would be interested in volunteering as a camp doctor. Please contact me to discuss details and dates.
