

## Parental Consent For Staff Under 18 Years of Age

**As a condition of employment, all staff under 18 must return this signed form with their Staff Contract.**

As the custodial parent of a Camp Wise employee under the age of 18, I grant my permission for my son or daughter to perform the employment as described in the Contract and Standards and Policies. I understand that this includes the possibility of my son or daughter leaving camp property in the course of camp programs or camp business.

I further understand that all staff members are permitted scheduled Days Off and scheduled Open Nights away from camp property. Additionally, I understand the risk involved and give permission for my son or daughter to leave camp during these times.

Camp Wise is not responsible for the supervision of my son or daughter during scheduled, out-of-camp time off.
