## 11 Easy Steps to Use our Online Registration and Payment Systems

### Registration

1. Go to our fabulous website, CampWise.org and click on the "Register Now" link to start your journey to Summer 2015!
2. Fill out the required information and our registration service will take you through a few simple steps to get signed up! As you go through, here are a couple of helpful hints:
  - Don't forget to enter the grade in which your child is CURRENTLY enrolled
  - If you are the only parent or guardian who lives in your household please click Cancel Adding Second Parent/Guardian. If there is a parent or guardian who lives in separate household click Add a Parent/Guardian who Resides at Another Address and add additional information
  - Your John Hancock (Electronic Signature) is required – just type in your full name after you've read our TERMS and CONDITIONS!
3. Whoa! Final step for your application – click the link for Online Edge (our payment system) to finish your application! **NOTE:** If you have another child to register click "Begin A New Registration" to proceed
4. When you click the link you will be taken to the Mandel JCC's online payment system!

### Payment

5. Since this is the place where you sign up for all the wonderful classes and programs that The J has to offer, you're going to want to make sure to enter "Camp Wise" into the keyword box and click the "plus" sign next to the box. This way you will only see Camp Wise programs.
  6. Scroll through the programs and find the one you just signed your child up for. Click "Register Online" next to the program (just like before, you'll complete each camper separately).
- To register a returning camper skip to #9.  
To register a sibling of a returning camper skip to #8.
7. Create a NEW username and password. Please make them DIFFERENT from the ones used for registration – that way you can give those to family and friends to check out our secure photo galleries this summer without giving them access to your financial information.
  8. Make sure to ADD A NEW PARTICIPANT NOT LISTED. This person will be your child – that way you buy "camp" for your child, not for yourself (even though you wish you could go!)
  9. Answer a few questions, tell us how you want to pay, click "Add to Cart" (just like Amazon!) – if you need to pay for another child click the "program list" button at the top right and repeat the above steps to add those programs to your cart
  10. Follow the remaining steps to make your deposit.
  11. Run into the other room and let your kids know that they are about to have the BEST SUMMER EVER! Way to go, you simultaneously just became the coolest parent ever!

If you need assistance please call the camp office so we can help walk you through this process – (216) 593-6250
