**We like it, we love it, we want more of it!**

**Summer program highlights**

Summer 2015 truly pulsated with energy. It screamed with the type of excitement that makes Camp Wise so unique. From swimming across the Ohalim Rec first session, to sling-shotting water balloons second session, the summer was full of hilarious moments! Camp Wise Whip and NaeNaed our way across the summer months. There were UFO sightings, gnomes gone missing, and a Sheriff named Eugene to solve these mysteries! Fast Food was the Maccabiah that 2015 never saw, but Harry Potter came for a visit first session, and Camp Wise turned into a Jungle during Maccabiah second session! Now, months after the last “Have You Got that Spirit” shook the Chadar’s foundation, the last GaGa victor had been declared, and the Ohalim tent flaps had been lowered for the last time, you can still feel the magic that happened at 13164 Taylor Wells Road! We hope that magic helps keep you warm and happy for the winter months to come, and can’t wait to see you for Summer 2016!

**Chalutzim**

Chalutzim campers may be short in stature, but never in spirit! Chalutzimers we’re always cheering at meals—whether it be about eggs, bagels and lox, or of course Brian and Kari. With the village of Chalutzim situated in the middle of camp it’s easy to walk by and get in on a good game of Gaga, or join in on a funny conversation! First session had a great time at Willy Wonka night, and second session went NUTS with the UK and USA. Plus who can forget trips to Pioneer Water Land, overnights with Teva staff, and plenty of fun at the pool! Chalutzim—2015 is a summer we’ll always remember.

**Ohalim**

Ohalim was truly a force of nature this past summer. From all-village campfires with singing and stories, to some of the craziest late-night pranks, Ohalim was definitely the place to be! Who can forget Spork Night first session—we know Noar won’t! Second session had a whole series of ridiculous programs that Ohalim cheered about at every meal. Each night just added onto the previous night’s cheer like, “Shark, Wauwatosa Sheboygan TREE night!” Ohalim had tons of fun at Wildwater Kingdom, and was the life of the party when it came to Maccabiah. Ohalim, it’s in-tents, and we’ll take it that way any day!

**Noar**

Noar was quite the place to be this summer! Matt and Izzy got married, a Door Hinge tree grew down by the lower courts, and there was plenty of time spent around campfires. Noar had the most free choice in camp, and took advantage of all camp had to offer—even the ample room to play cards! But camp wasn’t enough room for Noar. The eighth grade hit the road and ventured down to Ohio University for rappelling, hiking, and kayaking. The ninth grade drove even further south to make it to West Virginia, where they enjoyed some of the best whitewater rafting the country has to offer! It was a great year to be in Noar, and the bar has been set for summers to come!

*continued on page 2*
Over the past 7 years, CW has become more than a community for me—it has become a family. When I was hired in 2008 I thought this was just going to be another camp job. Boy was I wrong! From the first day you welcomed me with open arms because that is the Camp Wise way. You took the time to teach me traditions and show me what it meant to be a passionate Camp Wise staff member. When Jenny, and then Olivia, became a part of my life, you made them feel just as welcomed. Jenny, Olivia, and I have been lucky to be a part of the CW family.

Camp Wise is a wonderful place filled with support, laughter, and friendship. That is why saying goodbye is so difficult for us. It was a tough decision, but we knew it was the right time for us to move closer to our family. We are truly blessed for everything the CW community has done for us.

Knowing that camp is in great hands makes this transition so much easier. The team in place is a skilled, talented and very dedicated group that has kept camp running at a high level for too many years to count. They have worked to create a culture that allows campers to thrive in an environment that is fun and safe. I have no doubt that this summer will be the best summer yet!

Lastly, I want to take the time to thank everyone, but most importantly I want to thank the campers. You are the spark that keeps the campfire burning with ruach (spirit). It’s because of you that I have enjoyed my time at Camp Wise. From the smiles I witnessed on the first day of camp to the tears I shared with you on the last day are ingrained in my soul. To watch so many of you grow up and become strong, confident, and independent individuals has been an honor. The journey with all of you was so much better than I could’ve imagined. Camp is life changing, no matter if you’re a camper or the director. You have all made a difference in my life and I am forever grateful.

Keep campin’ my friends,

Sean Morgan

Dear Camp Wise Families,

Solel campers just takin’ it all in on “The Deck!”

Solel

Solel—the peak of the Camp Wise summer experience! From trips to Detroit to live our Jewish core value of Tikun Olam, to trips to the Carolinas to raft, zip, and play—you all really lived it up this year! Solel set the positive energy for the rest of camp both sessions. Their crazy antics were only matched by their boisterous attitudes! From late-night pool jumps to moving all-camp campfires, Solel 2015 started some traditions that will last. We’re sure Solel campers memories of this summer will last a lifetime.

We’ll miss you Sean!

Camp isn’t just for kids

All the fun and excitement of Camp Wise is not just for kids! In addition to the summer camp program at Camp Wise, we offer several programs to get everyone involved. For more information on any of the following programs or to register call (216) 593-6250.

Camp for the Whole Family! Many families had a blast this past year at the annual Camp Wise Family Camp. Kids, moms, dads, and grandparents all had a chance to participate in many different camp activities like boating, zip line, archery, tower, giant swing, jet skiing, and tie dying. Highlights included turning the lake into a “parent free zone” on Saturday afternoon and taking everyone for rides on the jet skis while at the same time, parents were able to have a little “kid free time” and relax! On Saturday night families split up into two teams and competed in the Minute to Win It Challenge. Later, when the kids were getting ready for bed and hanging out with their counselors, parents tested their knowledge during an all-adult “bar” trivia challenge. Family Camp 2015 was full of laughter, new experiences, and great friends. We hope to see YOU for 2016!

Women of the World!

Life can be a lot to manage! Sometimes a weekend to relax, refresh, and renew is called for. Women of all ages showed up this past summer for our annual Women’s Weekend! This past year over 30 women came from as far as California to participate in a weekend of rejuvenation at Camp Wise, and we hope that you’ll consider joining them next summer. The weekend can be spent trying every activity camp has to offer (plus some bonuses like a massage and wine tasting), or it can be spent sitting next to the pool enjoying your favorite book. A perfect gift for mothers, grandmothers or wives! 2016 is a 10 year milestone for Women’s Weekend. Let’s make it the biggest and best!

Everyone’s “Home of Happiness”

We believe that camp is something that everyone deserves to experience. With this mission in mind, Camp Wise is proud to offer Camp Chai, a taste of camp for adults with diverse needs. Adults who require varied levels of support come to camp with a dedicated group of camp staff and participate in all the fun activities and programs that camp has to offer. The group does arts and crafts, swimming, the climbing tower, lake activities, sports, camp fires, and so much more during their visit. It is a unique opportunity for participants and staff alike.

Alumni Reunion: A new Camp Wise rite of Passage

Alumni Reunion Weekend is beginning to become a Camp Wise rite of passage—like sleeping in the rain on a Solel trip, or serving as an SIT. Alumni can first attend Alumni camp 5 summers after they have graduated high school. For example, this past summer the youngest Alumni that could attend Alumni Camp graduated high school in 2010. Now, Alumni have begun to count down the years until they can attend—until they can spend time surrounded by their favorite people at their Home of Happiness. Alumni long to be at camp unfettered by the nuisances of rules and responsibilities. When they can come to camp as an adult… and act like a kid again!

Nothing compares to time spent at camp. Roaming around the Noar Rec Field under a sky full of brightly lit stars. Floating into breakfast Saturday morning to eat some bagels and donuts. Hanging around a campfire. Sitting in the chapel. Luckily, for those able to attend Alumni Reunion, the tradition continues.

This past Labor Day weekend over 45 Alumni came out for the Second Annual Alumni Camp Weekend. Alumni joined us throughout the weekend with the majority staying from Friday until Sunday afternoon. Alumni from the ’70s, ’80s, ’90s and ’00s came to relive the glory of their days at camp, catch up with old friends, and make a few new ones!

The weekend started with welcomes, introductions, and a happy hour. The crowd quickly sauntered down to the Chapel for a Camp Wise Friday night service. Later the group headed back up to the Chadar for a Shabbat dinner, complete with the long Birkat Hamazon—and people popping out of the loft. A Spirit Circle from the ages followed, with a spotlight on a killer “Oh A Dee Ah” and “Have You Got that Spirit.” Friday night ended with friends and foolery around the fire—a perfect Camp evening.

Saturday was full of options. Some went to the lake, some hung out by the pool. Everyone took time to tie dye their Camp Wise T’s. Havdallah and more campfire time wrapped up the evening as time traveled quickly into Sunday.

On Sunday we welcomed Alumni of all ages to the Alumni BBQ. It was an awesome time for Alumni who couldn’t make an overnight to reconnect with camp friends and see how the place was doing. How neat to see old co-staff show their not-yet-camp-age kids around a place that they held so dearly. We love this new Camp Wise tradition, and can’t wait to see you next year!

From generation to generation, Camp Wise Alumni gathered this past September to share memories and traditions
“You’re the best, around!” the 2015 staff scholarship winners

If you want to recognize our staff, please see the attached envelope to donate to the CW Staff fund. You can also choose to join our staff in donating to Camper Scholarship.

For Camp Wise Staff there is no higher honor than staff scholarship. Staff has the opportunity to recognize one another’s achievements throughout the summer with shoutouts, notes, and quick thank yous. As the summer closes, staff members are able to nominate their peers who have gone the extra mile to make Camp Wise such a magical place. The staff members nominated are known for being energetic, helpful, and positive even in the most difficult of times. They are leaders amongst their peers and exemplify what it means to be a Camp Wise staff member. At the end of the summer, staff donate things like vintage clothing, craft projects, or a night on the town on a college campus to a staff auction held at the all-staff banquet. All of the proceeds of the auction are divided up between the staff scholarship winners as a bonus for their hard work and dedication.

This year we had five staff scholarship winners and a portion of the proceeds were donated to camper scholarship. The winners were: Alistair Parkinson, Karl Taylor, Hannah Tucker, Joe Gurski, and Adam Bloom.

Alistair Parkinson goes by many names at Camp Wise: Tree man, Alison, Celery Guy, Cool Uncle Al, Ali P. They are all nicknames earned through his undying goofiness and love of camp. 2015 was Ali’s second year at camp. Ali was thrilled to be a captain of the Green barf team in Harry Potter Macabiah, but a big part of Ali’s summer was spent in Teva, where he was a specialist. Ali particularly loved leading kids on themed overnights—like an enchanted Disney forest or a future run by robots! Ali got to be a part of the mighty village of Ohalim all summer long. Camp Wise has played a massive part in Ali’s life. All friendships, memories and amazing experiences will stay with him for a lifetime.

Karl Taylor came to Camp Wise from across The Pond. He has a degree in Broadcast Journalism and now works in Children’s TV at the BBC when he’s not at Camp Wise. In his two summers on staff, Karl has had the honor of working in the incredible village of Chalutzim!

As the programmer for Chalutzim, Karl got covered in chocolate sauce at Willy Wonka Night, trained to be a spy, beat the super villains on Minions Night, and even had a New Year’s Eve pool party! His favorite part of camp is undoubtedly cheering and singing during meals! Karl notes, “It’s incredible to see and hear so many kids being themselves and having the freedom to shout and sing and show off their spirit!” 1...2, 3, 4, 5 Chalutzim is really alive! Yeah Karl!

Scholarships: The staff chose to divide the auction proceeds six ways, with the sixth portion donated on behalf of the 2015 staff to Camper Scholarship. This is one way the camp staff chose to “Live Wise” again this summer.

Hannah Tucker is in her second year at Ohio University studying Business. This was Hannah’s 9th summer at the Home of Happiness; it was one of her favorite summers and one she will never forget! Hannah enjoyed planning many programs and activities for her cabins in Noar both sessions. Some of Hannah’s favorite memories from this past summer were jumping into the pool after basketball with her N5 girls, and when her N6 girls made her and her co-counselors go on a scavenger hunt to find them! This summer, along with being a Noar counselor, Hannah had the opportunity to be a Maccabiah judge and planned an amazing Jungle Maccabiah second session. Camp Wise has given Hannah a home away from home that will impact her for the rest of her life.

Joe Gurski lives in the North of England, and recently graduated from York St John University with a degree in English Language & Creative Writing. He wants to become a writer for TV, and we hope one day we see his name at the beginning of our favorite sitcom. 2015 was Joe’s second summer at camp, and it has become such a home to him that Summer 2016 at Camp Wise is definitely in the books. Joe is the man behind the video camera, creating memorable projects with campers including a shot by shot remake of Taylor Swift’s “Bad Blood” music video and a camp-inspired parody of “The Hunger Games.” Joe had the honor of representing the tie dye team in this summer’s second session Jungle Maccabiah, which he privately feels has been and will be the biggest achievement of his life (and doesn’t understand why his non-camp friends don’t get how big of a deal it was)! Camp has completely changed Joe’s outlook on life for the better, and has provided him with one of the absolute greatest experiences of his life.

Adam Bloom is now in his second year at Trinity College. He is studying education, a passion he found while working at camp. 2015 marked Adam’s 12th summer at Camp Wise. Clearly he can’t imagine summer without returning to the Home of Happiness! If it’s Letter Writing Day, you know Adam is around. His boundless energy ensures that everyone around him is up on their benches cheering and singing during every meal, even breakfast! So of course it was no surprise that Adam was also a captain for the winning Tie Dye team during Session I Harry Potter Maccabiah.
If summer can’t come soon enough, come join us for...

New International Teen Travel with Camp Wise!
For teens entering grade 11 and 12

Camp Wise knows that kids of all different ages have different desires and different needs. As kids grow through the camp program each village is uniquely designed to offer a great balance of experiences for that age group. By high school we know that kids have a million and one opportunities laid in front of them. With sports, extracurricular activities, and other commitments—attending camp for the full summer as an SIT or a Jr. Counselor is not in the cards for everyone. But no one should have to leave “The Home of Happiness” behind. Enter: Tiyul—Camp Wise Teen Travel!

We know that teens crave the opportunity to establish independence, engage in unique experiences, and build community among their peers. Our brand new international trips program focuses on service learning and once-in-a-lifetime outdoor-adventure activities. This year’s trip is heading to the Dominican Republic for 18 days! Highlights include whitewater rafting, hiking, kayaking, ziplining and meaningful service projects. Our partnership with Rustic Pathways, a company that specializes in international teen travel, will ensure that the trip runs smoothly, safely, and is of the highest quality. We’re extremely excited for this new Camp Wise tradition.

For more info visit mandeljcc.org/tyul-teen-travel/camp, give us a call at 216-593-6250 or send us an email at wisekids@mandeljcc.org. The program is perfect for returning campers or campers who have never been a part of the Camp Wise before!

Teens on a Camp Wise adventure trip to The Four Corners area in 2014. The success of this trip sparked our interest in developing our teen trips program.
The last night of each session, on CW night, we recognize staff and campers who have been at camp for 5, 7, 10, 13 years and beyond. Five years are recognized with a 5-year bag, 7 years earns you a cool 7-year shirt, after 10 years you receive a sacred Camp Wise Crazy Creek Chair, 13-year staff are honored with a giant CW sweatshirt blanket and this year the SITs created a space in the woods to honor staff who have been at camp for 15 years or more.

We love our CW volunteers

Todah Rabah to our wonderful camp families who donate their time to camp each summer. Our volunteer doctors helped to keep camp healthy and happy, and our host families showed our international staff warm. Cleveland hospitality on their days off. If either of these opportunities sounds like something you’d like to try in 2016, please let us know!
