

The Wise Times

Spring 2016 | Volume 10, No. 1

We like it, we love it, we want more of it!

Hey Campers: Do you ever find yourself daydreaming about being at Camp Wise? Do you imagine spending time with your friends laughing, playing, participating in chugim and goofing around with some great staff? Do you ever find yourself wondering who your counselors will be or what this year's Maccabiah theme is? Well, guess what? The time for those questions to be answered is coming soon! That's right, kids. Only a couple of months away from what we hope will be the best summer ever for you at CW.

New Solel Trips

There's a ton of stuff to get excited about all over camp, especially in Solel. Solel 2-0-1-6 get ready! We have an incredible summer planned for you. Both sessions will go where no Solel has gone before. You'll be the first Solel to experience these amazing new adventures. Wanna hear about some highlights? No problem. Both sessions will visit Cincinnati and Western Kentucky. This trip will include Kings Island amusement park, zip-lining down the side of a mountain, alpine sliding, canoeing and yes – a trip to Mammoth Cave National Park where you'll have a mind-blowing experience inside the largest caving system in North America. First session Solel includes a rafting and biking experience in Ohio, PA. You'll also get a chance to visit historic and beautiful Fallingwater – Frank Lloyd Wright's architectural masterpiece. Second session Solel will visit Niagara Falls, NY and spend time on the famous Maid of the Mist boat on the Niagara River. Along with that, you'll visit a U.S. Navy shipyard and Splash Lagoon indoor waterpark. And of course there will be some surprises during both sessions that we're not going to share just yet...

New Chug Programming

This summer our program areas will focus on enhancing experiential education at camp. Experiential education, at its core, involves hands-on, project-based team learning. We

plan to infuse this philosophy of "team learning" into all of our activities. The concept is simple. Our specialists will teach the skills campers need to learn in each activity, and then facilitate the group to help each other learn. So, all of our campers will have the opportunity to develop skills and at the same time understand teamwork and a sense of responsibility to a community.

Enhanced Jewish Life

Judaism is at the very heart of Camp Wise. We are very intentional in the way we incorporate our six core Jewish values into camp every day. Our core values are: Kavana (Spirituality), Kehilah Kedosha (A Holy Community), Tikkun Olam (Repairing the World), Betzelem Elohim (In the Image of G-d), Hachnasat Orchim (Welcoming Guests) and Clal Yisrael (The Unity of the Jewish People). These values drive our way of life at camp, and this summer each Shabbat will have a specific value paired with it. Working with our Jewish Educator, the campers will also chose a creative theme that incorporates both the value and the weekly Parsha. Shabbat will become even more meaningful as we integrate our values with the Parsha.

Special Evening Programs

Evening programs are awesome! And there are some very cool people that help make them that way. Each village has some very creative individuals whose job is to design and facilitate incredible evening programs for each village! Village programmers add a unique spirit to each village and help out with all-camp programs as well. The 2016 Solel village programmer is Annie Adelman! Noar village programmers are, Hannah Tucker and Matthew Paley! In Ohalim we have Simone Light and Rachel Teitelbaum.

Experiential hands-on learning at Camp Wise

And in the mighty village of Chalutzim, Adam Bloom and Nicole Krasnow will be handling village programming fun. ★

Camp Wise Year-Round

While there is no question that summer is the best time of year to be at camp, we can have exciting camp experiences all year round!

We had 3 amazing CW reunions this off-season. At our annual Cleveland reunion over 200 campers and 30 staff enjoyed a morning of laser tag, games, roller-skating, and reminiscing at Fun'N'Stuff the day after Thanksgiving. In February we re-united with our campers in Columbus and South Florida. AT KDB in Columbus, 30 campers along with future campers enjoyed the arcade and wonderful interactions. At our first-ever Florida reunion in Jupiter,

“Working together, to help a dream come true. The magic that is in Camp Wise, will always be with you.”
 –Magic at Camp Wise, Marc Wolf

Since my first taste as a camper in 1991, Camp Wise has always held a special place in my heart. Many years later I can now describe what sits in that special place as the magic of Camp Wise. What

makes the magic so special is that it's almost impossible to put into words. But if I could try to explain it, I would include the late-night campfires with Noar campers and the joy of seeing a Rishon camper hear us sing Shalom Alechem on Friday night. The magic is the sounds of Maccabiah cheers that could only be muffled by the tears of Solel campers on their final Shabbat. When I joined the Camp Wise Team as the Assistant Director four years ago I was fortunate to pair my education and experience with the magic of Camp Wise.

I am pleased to serve as the Interim Director for 2016 along with our very experienced and talented team of camping professionals all of whom have spent many summers together at Camp Wise: Jon

Hausman, Program Director; Nick Goldman, Operations Manager; Beth Young, Special Projects Associate; and Cathy Becker, Registrar.

This summer we have the unique opportunity to work with three former Camp Wise directors who also happen to be national leaders in the field of Jewish overnight camping and youth programming. Jodi Sperling, Scott Brown and Jonathan Rubinstein each share a deep connection to the magic of Camp Wise and will be seen around camp in an advisory capacity.

Jodi Sperling, Camp Wise Director from 2004 to 2011, who now serves as Senior Consultant for Residential Camps with the national JCC Association, will be join us for our two-week staff orientation and training period prior to the start of camp.

Scott Brown, Camp Wise Director from 1979 to 1983, has an extensive background in Jewish communal service, most recently as Hillel Vice President for Leadership Coaching for 12 years. Scott will join us at Camp Wise during the first session.

Jon Rubinstein, Camp Wise Assistant Director in 1997 and Director from 1998 to 1999, owns and operates Joe, a thriving New York City-based coffee company with 14 locations in Manhattan and Philadelphia. Jon will be at camp during the second session.

I am excited to share the magic with each of you this summer. Whether you are a camper, staff member, parent, or alum – I am confident that 2016 will prove that Camp Wise truly is the Home of Happiness and that “the magic that is in Camp Wise, will always be with you.”

B'Shalom,

Rachel Felber

Prior to returning to Camp Wise in 2012, Felber spent five years as the Youth and Teen Assistant Director of Camp Shalom at the JCC of Austin where she also served as the Austin BBYO Director. Felber has an undergraduate degree from Clark University and a Master of Science in Social Administration from CWRU's Mandel School of Applied Social Sciences.

Staff Spotlight: Rabbi Shana Nyer and Cori Bloch!

Rabbi Shana Nyer

Job at Camp Wise:
Judaic Educator

Summers at Camp Wise:
1986-1989 (camper) and
1995, 1996, 1999, 2000
(staff)

Some cool stuff about

Rabbi Shana: This summer will be her third serving as Judaic Educator at Camp Wise! The first time around she was in rabbinical school, and now she has 15 years of experience as a congregational Rabbi and educator. Rabbi Shana currently serves as the Director of Lifelong Learning at Suburban Temple Kol Ami in Beachwood, OH.

Rabbi Shana's favorite camp memory: "There was a Willy Wonka Maccabiah when the Judges were Oompa Loompas and everyone was running around with orange faces and green wigs. It was hilarious and an amazing site to behold."

Rabbi Shana knows how important meaningful Jewish experiences are at Camp Wise: "What's exceptional about camp is that it's an immersive experience. We have the camper's undivided attention. We have a unique opportunity to program without the distractions of their everyday lives. Judaics and any other activities at camp therefore take on a special meaning that they don't necessarily have at home."

Cori Bloch

Job at Camp Wise:
Youth Village Manager

Summers at Camp:
1990, 91 & 92 (camper)
and 1997, 98, 99 & 2000
(staff)

Some cool stuff about

Cori: She is currently a kindergarten teacher at Old Brooklyn Community School, where she's been for the last four years. Prior to that, Cori taught students with Autism for several years and was the Director of the Columbus JCC's Camp Hoover day camp for two summers.

Cori's favorite camp memory: "Crazy-go-nuts night, with all the messiness and excitement was really fun. It was always a great evening program."

Cori can't wait to return to Camp Wise, a place that's so special to her: "I'm excited to go back to the place where I have so many awesome memories. I can't wait to work with a new generation of campers and staff."

We are SO EXCITED to have Rabbi Shana and Cori join us at Camp Wise again!

Camp Wise Year-Round

continued from pg. 1

camp staff met with both current and future campers for an afternoon of bowling. It was a real strike!

This winter also saw 2 fabulous programs at Camp Wise. 5th and 6th graders enjoyed the snow at camp, went sledding on the Noar rec, ate real snow cones and drank gallons of hot chocolate! They even left their mark on the village of Ohalim by leaving name tags that we hope will survive until summer. 7th and 8th graders spent the evening at camp with a special girls' night program where they made lip gloss and talked about being Camp Wise Women. The next day they enjoyed a great day of snow tubing!

We want to give a shout out to several camp families who opened their homes this winter to host parlor meetings for families who wanted to learn s'more about Camp Wise. Many thanks to Julie Cohen, Dana Adler, Maureen and Bruce Cohen, Stacy Schlein and Jeremy Sosin, and Jill and Brad Davidson. We appreciate your commitment to Camp Wise!

calling all camp families!

There are many wonderful ways for our camp families to help us make our summer successful. One is by hosting some of our international staff on their day(s) off. This summer we have staff joining us from countries including Israel, Australia and the UK.

Another opportunity to volunteer is as a camp doctor. Our camp infirmary is staffed 24 hours-a-day with registered nurses. We are looking for doctors who can be on call (by phone) for one week to speak with the camp nurses, and arrange to come to camp three times during their call week to see campers on site.

Please contact Cathy at the camp office to help us out! 216-593-6250
