9 Easy Steps to Use our Online Registration and Payment Systems

REGISTRATION

1. Go to our fabulous website, CampWise.org and click on the "ENROLL" link to start your journey to Summer 2019!
2. Fill out the required information and follow a few simple steps to get signed up! As you go through, here are a couple of helpful hints:
 - Don't forget to enter the grade in which your child is CURRENTLY enrolled
 - If you are the only parent or guardian who lives in your household please click Cancel Adding Second Parent/Guardian. If there is a parent or guardian who lives in separate household click Add a Parent/Guardian who Resides at Another Address and add additional information
 - Your John Hancock (Electronic Signature) is required – just type in your full name after you've read our TERMS and CONDITIONS!
3. Whoa! Final step for your application – click the link for Online Edge (our payment system) to finish your application!

NOTE: If you have another child to register click "Begin A New Registration" to proceed
4. When you click the link you will be taken to the Mandel JCC's online payment system!

PAYMENT

5. Scroll through the Sessions/Villages and find the one you just signed your child up for. Click "Register Online" next to the program (just like before, you'll complete each camper separately).
If you are only registering one camper, skip to #7
6. Make sure to ADD A NEW PARTICIPANT NOT LISTED. This person will be your child – that way you buy "camp" for your child, not for yourself (even though you wish you could go!)
7. Answer a few questions, tell us how you want to pay, click "Add to Cart" (just like Amazon!) – if you need to pay for another child click the "program list" button at the top right and repeat the above steps to add those programs to your cart
8. Follow the remaining steps to make your deposit.
9. Run into the other room and let your kids know that they are about to have the BEST SUMMER EVER! Way to go, you simultaneously just became the coolest parent ever!
